

SERVICE PROJECT APPLICATION

Please complete and mail to: Camp Currie Board, P. O. Box 580, Camas, WA 98607

"All Service Project Applications involving construction (including New and/or modification/repair/remodeling to existing structures) must be submitted with comprehensive construction plans including drawings, material lists and time frames, in sufficient detail that the Board of Directors may understand the design, scope and structural integrity of the proposal. All plans are required to be submitted to the Board for approval 30 days prior to any planned commencement of construction.
